R.O.C No. B1/9323/40

Rem 29/8 No 378

Station Mangalore, Dated the 15th August 1940.

From (Name) Sri M.Narayana Shenoy, B.A., B.L.,
(Designation) Commissioner, Mangalore Municipality.

To The Secretary to the Government of Madras,
Education & Public Health Department.
Fort St.George, Madras.

Through
The Chairman,
Municipal Council,
Mangalore.

Sir,

The Council in its resolution No.27, dated the 22nd ~~May~~ March 1935, copy enclosed, authorised the Municipal Health Officer to temporarily entertain an "attendant" and a scavenger at the daily wages of Rs.1/- and Rs.0.8.0 respectively in the Municipal Infectious Diseases Hospital whenever cases of chicken-pox or small-pox were brought to it. Government, however, in G.O. No.646, dated the 10th March 1937, have statutorily fixed

fixed scales of Public Health Establishments under sub section (3) of Section 70 of the Madras District Municipalities Act, 1920, as amended. According to these orders scavengers have to be paid only according to Market rates subject to a maximum of Rs.12/- per mensem and no mention is made of "attendants" that are employed in a Municipal Infectious Diseases Hospital.

In view of these orders it looks that scavengers in the Infectious Diseases Hospital cannot be paid at the enhanced rate of annas eight per day which was sanctioned by the council prior to the assumption of powers by Government in the matter of fixation of scales for Public Health Establishments. At the same time it will not be justifiable to pay the scavenger of the Infectious Diseases Hospital at the usual market rate as he, along with the "attendant" is subjected to the risk of catching the infectious diseases himself. Moreover it will be difficult to secure such labour especially in view of the fact that the infectious diseases cases are few and far between and that as such no permanent staff could be employed for the purpose.

I, therefore, request that under the special circumstances Government be pleased to allow the menials mentioned above to be paid at the rates sanctioned by the Council in its resolution No.27 dated the 22nd March 1935 and to permit the entertainment of the special staff as and when occasion arises.

Commissioner, M.M.
